## Membership Drive 2009

### Why should I become a member of the Dodge County Humane Society?

As a non-profit organization under the Internal Revenue Service, there are certain requirements we must meet in order to keep our non-profit status, such as filing annual reports with the IRS and State of Wisconsin, and we have to abide by our by-laws, which state we must have members and have an annual meeting. We don't have voting members, but we want our members and the public to know what we are doing and to offer guidance and suggestions.

The second part of the answer is: members fill our needs at the shelter. We need more help to do what we do. Members don't have to be volunteers, but many are, and we could not survive without volunteers.

### What are the benefits of becoming a member?

First of all, you will be kept up to date about what is going on at the shelter. You will be notified of educational seminars, fund raising events, and special promotions.

Secondly, only members will receive our quarterly newsletters. This is the last newsletter mailed out to the general mailing list. Keep in mind that our newsletters contain everything from special discounts, to informational articles, to our wish list, and upcoming events. It also has Happy Endings stories of recent adoptees.

Lastly, you will be invited to the annual meeting, usually held the end of June. At this meeting, we will talk with our members, share our future goals and ask for input as to how we can achieve them. At this meeting, we recognize our dedicated volunteers and introduce the people that help run the shelter and oversee its operation.
